Vendor Management

Keep track of all your suppliers in one place. Record purchases, manage payables, and maintain clear records for every vendor relationship.

The screenshot displays the 'Vendors' management page in the QuePot system. The interface includes a sidebar menu on the left with options like Operator Console, Dashboard, Tables, Players, People, Roles, Games, Sessions, Invoices, Game Types, Products, Vendors, Expenses, Owner Drawings, Reports, Billing, Administration, Clubs, Sales Agents, and Verify Payments. The main content area shows a dashboard with four summary cards: Total Vendors (9), Active Vendors (9), Total Outstanding (Rs. 1,060), and Vendors with Balance (2). Below the dashboard is a search and filter section with a search input and dropdowns for Type, Status, and Balance. The main part of the page is a table listing vendors with columns for Vendor, Contact, Type, Balance, and Status.
